

شركة سيدى كرير للبتروكيماويات
Sidi Kerir Petrochemicals Co.

Date : 15/10/2023

Attention: The Egyptian Exchange

greeting,

Declaration

We would like you to be informed that Sidi Kerir petrochemical Co. "Sidpec" has been signed a partnership agreement with Nigeria's Rungas Group company to establish LPG Cylinder Manufacturing Plant with a capacity of one million gas cylinder per year by using polyethylene's applications to export it, and with the probability of future expanding to sell in the local market in case getting all the required approvals from the Egyptian authorities.

Feasibility and marketing studies will be initiated along with getting Run gas group company the required license to use the technology.

You will be informed of the data and information after presenting the Feasibility and marketing studies to the BOD.

Kind regards.....

Mohamed Fathy Aamer
Financial Control General Manager
